olivia

i'm looking for a little one-on-one time

I just got back from Europe yesterday where I had some great experiences and made a few hot movies. Everyday on location had at least two or three hot guys and sometimes three or four beautiful girls. While it was exciting and did some stuff I hadn't done before, when I got back here I just wanted a good slow, one-on-one fuck where I was in control again.

randy cleans up her act

I'm really comfortable in using dirty words with my sex partners. It's such a turn on when he tells me what he wants me to do, or when I tell him what I want him to do. I like to use some very playful and erotic words with my man, and when I'm cumming, I can't hold back and I gotta let loose. I think it intensifies my orgasm.

chatted up

I couldn't stop chatting. It was that simple. Every time I'd try to get my work done as a writer, the Internet would call me to cybersex. I felt like I was becoming addicted, cruising the chat boards, checking the profiles, looking for that sexy girl I craved in my vivid imagination. It was getting out of hand. In fact, I was using my hand a lot, but the titillation of the on-screen innuendo was making me more hungry for sex than ever before.

Finally, I met CinBad, a naughty, sexy chick who chatted me up and down and back again. I just couldn't stop the unrelenting cybersex chats. Every time I was supposed to be working, instead I'd be sexing up CinBad. It didn't even matter that I had no idea what she looked like—she was one hell of a sexpot, who talked me into a frenzy night after long, hungry night.

Finally I called her, and her voice was even sexier than I had imagined. We talked several times after that, and of course we always ended up having phonesex as well. We made a deal that no matter how each other looked (of course we'd each described ourselves as attractive), we'd still have sex, no matter what. After a week of torture, we decided to meet at her apartment building, about two hours' drive from my city.

When I left home, I could barely drive, I was so horny. The time flew as I fantasized about her, hoping she would really look as attractive as she'd said she did with blonde hair and blue eyes and large breasts.

When I met her in the lobby of her apartment building, I almost fainted with desire. Cindi looked even more sexy than she'd described herself as. She wore this low-cut blouse, with her tits clinging together. She walked seductively to greet me. And what a smile! When she held her arms open to me, I fell into them like a wild woman. If not for the other occupants, we would have started doing each other right there in the carpeted foyer!

We quickly went upstairs. As soon as we entered her bedroom, we started to strip one another. Our clothes soon lay in piles all over the spacious suite.

Her body was even more delightful naked. Her skin was creamier than milk. Her body was curvaceous but not fat. Her legs were long and slim and seemed to go on forever. I came closer to her and pulled her onto the king-size bed. She laughed with glee at my aggressiveness, pulling me along with her.

Her nipples were pink and pointed right at me, beckoning me to suck on them. I did just that and latched on with my salivating mouth. They tasted like apples and woman, all melting in my burning mouth. I sucked on her big tits until she began to moan and fondled my little ones, too. Her skin was silky against mine.

"Oh, CinBad, you make me want you so much. I can't take it," I mumbled as I licked my way down her flat belly.

She groaned again in response. The sounds became louder and louder as my mouth neared her drooling cunt, which glistened with her juices. I parted the soft blonde curls and injected my tongue into her wet slit. She cried out and pushed into my face. I tongue-fucked her even harder until she writhed and bucked from side to side, muttering my name. In no time, she was coming like crazy and gripping my head to her. I went faster until she froze in mid-air and then went down to the bed with a thump.

We spent the rest of the night humping and have

been having a juicy affair ever since.

Julie, New Mexico

cunt camp

My clit throbbed with need when her impatient mouth closed around my drenched bush

Melinda and I were both scheduled to work as counselors at an exclusive summer camp up in the Berkshires. The week before the campers arrived was reserved for our training, so we could get settled in and relaxed beforehand. The two of us were assigned to share a cabin for the week, which was fine with me because we were the same age, 19, and got along great. That first night, we stayed up late, lying in our beds and talking about all kinds of different things.

Naturally, it didn't take long before we got around to the topic of sex. She seemed strangely quiet when I talked about the kinds of guys I preferred and told her about a recent fling I'd had with one of the football players at my college.

"I hope this doesn't freak you out, Jenny," she said after a long silence, "but I'm not into guys."

"Really? Why not?"

"I just think that no one can please a girl better than another girl can. Guys just don't get me off as long or as hard."

That surprised me—I mean Melinda looked totally feminine and everything. But over the next few days, I found myself getting more and more curious about what two girls actually did together. Finally, that night while we were sitting around in our cabin, I got up the courage to ask her.

Melinda seemed amused. "I guess I can explain it in words," she said, smiling as her eyes settled on my body, "but I think I'd rather just show you."

I could actually feel my pussy getting wet as she drew me closer, her tongue sliding along the roof of my mouth in tandem with her hand on my arm. I responded eagerly, sliding my fingers down her front and over her breasts, pressing my aching body closer to hers.

I shivered as her cool lips glided along my throat, pausing to give me playful little bites every inch or so. I felt the sudden ooze of my natural lubricant slick my panties as her fingers gently moved to the front of my shorts and began to massage my crotch with slow, sensual movements.

We squirmed out of our clothes, and I felt my pulse quicken when she whipped my soaking pant-

I found myself getting more and more curious about what two girls actually did together. Finally, that night while we were sitting around in our cabin, I got up the courage to ask her.

Julianne has a nice set of tits, about a D cup with dark nipples that het really hard when they're erect. Her hair is long and loads of curls. She has cleanly shaven pubes, which I like.

ies down my legs and off. My clit throbbed with need when her impatient mouth closed around my drenched bush.

She ate me much better than any boyfriend ever had. They always acted like it was just a prelude to get me wet so they could stick their dicks in. But Melinda really took her time, tracing every nook and cranny like she couldn't get enough. Neither could I!

While she flicked her tongue against my clit, she shoved one of my hands into her own red-hot slit. Quickly I pivoted around so we could 69. I tried to imitate her tongue-motions while I went down on her own pussy, and to my surprise it seemed to work out great! Pretty soon we were both going crazy, just spazzing out right there on that little braided rug by our beds.

"That was totally awesome," I told her when we came up for air, and she happily agreed. My whole body was still tingling. None of my boyfriends had ever given me an orgasm like that! Maybe there really was something to what Melinda had said about girls pleasing each other way better than guys ever could.

Luckily, I had almost the whole summer to test out her theory!

wet dreamers

For years we were on and off boyfriend and girlfriends and I would take turns between them. I was the boyfriend to two girls, Moriah the girl next door, and Julianne the girl across the street. One understood that the other was the one for that time we were to be together.

Moriah had been with only one guy – me. I introduced her to sex a few years back. It was she that wanted to try it. I was her sex toy her early twenties. Julianne was almost the same. She had sex with a guy or two after me. According to Moriah, Julianne did not enjoy sex with these guys as it just lasted for a few minutes.

I had a loft above my garage where I sometimes slept. I had electricity and a TV; that's all I needed. At this time I was the boyfriend of Julianne. As usual Moriah hung around with us. Julianne was a horny girl who just liked the feeling of my cock in her. She would ask me to lay down and she would get on top, push it in her and

just lay there. She worked hard to make her insides work as she heard of from others. This day Julianne wanted some and would not let me alone. So I motion to the loft area. She is up there and nude in seconds. Moriah stayed to watch and hear her friend moan. She has been in the same position while Julianne is in the other room.

Julianne has a nice set of tits, about a D cup with dark nipples that het really hard when they're erect. Her hair is long and loads of curls. She has cleanly shaven pubes, which I like. Her pussy lips are thick and she is a bright pink on the inside. And it's always been incredibly tight whenever I assailed it. The saying of 'fit like a glove' is mild compared to her glove.

Unfortunately, she never wanted me to go down on her All she wanted was to fuck, and fuck hard she did. So right into her tight little body I go. Legs spread and

her butt working the pussy to me. She moans and cums with in seconds. I look and Moriah is watching. I smile and she smiles back. I tell Julianne, and she gets excited. She had always wanted to do a porn video of us.

Moriah would watch us and look at it go in and out and tell me how it looks. "Damn, that's hot, your pussy is wrapped around it tight, I see skin from you on his dick." That only made Julianne hotter and wanting more. I pounded and Moriah gave a blow by blow of the action. I am about to blow a load and Moriah yells; "His balls just pulled up tight, he is cumming." Julianne got more excited. I dump a load and Moriah gives the details, "Damn girl, his nuts jumped up in his sack and cum is running out of you." I came several times and with each, "Damn, Julianne, that must feel good, he is fucking you hard."

I finish and get cleaned up, while Moriah tells Julianne more details. Julianne is so excited she cannot take it. She wants to see this for herself. "Moriah, let him fuck you so I can watch this time!"

Moriah gets undressed and I notice her panties have a large wet spot. She got wet, in fact soaked, each time we had sex. So I know she needs no warm up, but I stick my finger in her anyway. Julianne is sucking my cock to get me good and hard. Moriah is soaked and I pull my finger out and its soaked with her pussy juice.

She is ready and assumes the position. I slide in easy and Julianne gives the play-by-play this time. "Moriah, his cock's spreading you open and the skin is moving to the side. Now fuck her fast and hard." I'm finding that more of a command than a description, but it's making us both hotter. I know that's not want Moriah likes, she wants a slow stroke. Right on time, Julianne says, "Slow down, you two, I can't see so good.

"Damn Moriah, it's going in and out of you good; and lots of juice. His dick shines from the juice. Have you cum yet?" I say no and Moriah is about to; I hear "Oohhhh." softly and know what's next. Moriah holds her breath for a long time and finally she lets out the sounds of climax. I slam her and she cums again. After her fourth orgasm she is done until I cum.

Julianne is rubbing my nuts and holding them up to see better. Moriah is working her little ass like a machine. I shoot the first load and my balls jump in Julianne's hand. Julianne is excited and Moriah has cum and her own juice running down her ass crack. I get off and Julianne looks inside Moriah's cum-filled pussy. "Moriah, he filled you up." And that's the last thing I remember from that day in the loft.

Justin, Cleveland

My man loves to see my full pouty lips wrapped around his throbbing man-meat as I look up at him from my knees with my big blue eyes. Then I'll lay down on my side and back up into him and shove my firm round butt into him and grab his cock and guide it into my wet pussy. Then I'll move my ass back and forth on it until I decide he can cum, but only after I do.

For me, moaning and groaning is involuntary. When you're fucking, and things are feeling good, moaning is another way of expressing my sexual emotions. When I'm groaning during oral sex, for example, it not only says what you're doing is feeling good and you gotta stay with it, but it will tell you when I'm about to cum so you can take me over the edge.

Do you guys want to see me get fucked in the ass. I know you do. Well, I'm going to oblige you tonight. I'm going to get me a cock and suck it hard, and then stick it in my pussy, and finally I'll let him shove it up my ass. Since I'm small and his cock is big, I think it may hurt for a minute, but after that's done, I'm going to love it. And how's this all going to end, you may ask? You'll have to use your imagination!

If not for the wig, she'd never have wound up in a bar's back room

...long-haired sally...

I thought to myself "Oh wow," as I adjusted the wig on my head. When I went into the wig salon, I had only been looking for a small hairpiece, but then I spotted this long, blonde, curly wig sitting on a Styrofoam head. I had to try it on! The hair hung down to my waist in rich, luscious, golden curls. My own hair is black, medium length, and very fine, so as I looked in the mirror, I felt like I'd become a totally new person!

"Oh my," the saleslady said to me. "You look very lovely. It suits your complexion perfectly and sets off your beautiful blue eyes!"

"Okay, okay," I said, grinning back at her reflection in the mirror as she stood behind me with a big smile knowing she'd made a sale. "I'll take it! I feel so...so...decadent!" I giggled a little crazily. Even after learning the wig would cost me $200, I still giggled.

I left the shop with the wig on. I never wanted to take it off! As I drove away, I kept looking in the rearview mirror at myself. Wow! What a difference this made! I really was a new woman!

Several blocks from the salon, I spotted a bar. Though it was only 2:30 in the afternoon, I decided, "What the hell, I can have a drink. It's the new me, and she can do anything she wants. She can have a drink at 2:30 on a Saturday afternoon if she wants." I giggled again, a wild giggle I'd never heard come out of my mouth before. Locking my car, I strolled into the dimly lit bar.

I immediately got looks from the three guys sitting at the bar. Glancing at them, I caught their nods of appreciation of the tall, lithe woman with the incredible hair. I'm sure my 38-inch tits in a low-buttoned shirt caught their attention as well.

My pussy tingled as I sat down a few feet away.

The bartender, a woman and a bull dyke from the looks of her, winked at me and asked what I wanted. Ordering a whiskey sour, I looked around the bar, realizing I didn't even know the name of the place. The plastic sign outside the door was partially broken out.

I sat there sipping my drink feeling incredibly sexy and...well, reckless. I even winked back at the bartender!

After serving a couple of other patrons, she approached me and leaned on her elbows about a foot away from my face. "Care to go in the back room for a little action?"

"Excuse me?" I asked almost choking on my drink.

"You heard me. You look like you want it, and I can certainly give it to ya, Blondie. Why else are you here in the afternoon?" She winked at me again. Her short black hair was spiked in front, and her body was definitely compact and on the bulky side. She could have been a

truck driver! I'd been with a girl once in college, but that had been 15 years ago! Though it had only been experimentation, she was a great fuck! In my thirties now and never married, I've had plenty of boyfriends though none at the moment. And I'd never repeated my bi fling. Now my pussy started to spasm at the thought of the bartender eating me, and I smiled. Today was my day to cut loose!

"Okay...maybe that does sound like a good idea. Now what's in the back?"

"Come on and you'll see. Hey George! Watch the front, will ya?" she hollered over at one of the three

guys at the bar.

I followed the dyke to the back. The guys licked their lips and made little kissy noises at me as I passed by. I couldn't help but whisper to them, "Eat your hearts out."

Who was this person I'd become?

I followed the bartender to the back hall, where she opened a door and held it for me. I entered to find three other dykey types dressed in jeans and white T-shirts sitting at a small table, playing cards. They looked up at me and whistled.

The door shut behind me. The tall blonde with the mean tattoos on her biceps started to unbutton my shirt. The shorter brunette unzipped my jeans. In what felt like a dream,

I was suddenly stripped naked and now was covered only by my new hair. My hard nipples poked through the long blonde curls. My clit was swelling and poking coyly through the sparse black hair on my pouty lower lips!

"She's a dream. Thanks, Madge," the tattooed blonde said lustily. She backed me up and gently pushed me down onto a small cot. Another dark blonde dyke with short, spiky hair grabbed my ankles and spread them apart. When she let go I kept my thighs wide open, legs dangling over the side of the small cot. I was so hot! I wanted them to ravish me.

I closed my eyes and let them take me. I felt several hands running up and down my legs and thighs, brushing close to my pussy, then backing off. I felt hot breath on my pussy and waited for a tongue. I was disappointed when nobody licked me. Fingers tweaked my nipples, hands hefted my full breasts, and fingers stroked all over my skin, but nobody touched my pussy.

I began to moan, thrusting my hips, spreading my thighs wider, wanting, begging for someone to touch my aching pussy, slip a finger in there and fuck me, lick me. I wanted that wonderful experience I'd had back in college. I moaned in want. The brunette kissed me on the lips, stifling my moans. Suddenly I felt a finger brush up my slit and linger on my gaping hot hole. I thrust down on it, trying to push it farther inside.

I heard a low chuckle. "Take it easy, baby. Let us play with you for a while. That's what it's all about, you know."

"She has such beautiful hair," said the brunette as she caressed my face and long curls. They acted as though I was not even aware of them. Like I was a toy to be used. And I loved it! I was anonymous in my new hair, at the hands of these dykes. I'd never felt so free.

"Fuck me," I whispered. I felt my pussy-lips being stretched open wider by urgent fingers. Hot breath blew over my quivering clit-bud. Then I felt the gentle lash of a tongue. I jerked my hips lustily. "Yesssss," I moaned. The tongue lazily slid over and over my sensitive clit, generating delight. Oh no, I didn't want to come yet!

I grunted. I wasn't in control of my body. My slim hips jerked in rhythm with those delicious tongue strokes. Then the dyke slipped her tongue inside and fucked me with it. In and out, that little muscle worked while her finger gently, teasingly, caressed my clit. Then the tongue went back to stroking that little button, and I knew I couldn't hold on much longer.

The brunette and the spiky blonde were busily sucking my tits and caressing my quivering belly. "Ooh yeah, oh yeah, oh yeah," I chanted over and over as the orgasm built to a crescendo. I let out a small scream as the flames of pleasure seared my insides all the way up and down my spine, curling my toes.

"Oh! Oh! Please stop. Enough!" I begged as the pleasure grew to more than I could bear. The three dykes finally stood to look down at me gasping with my legs spread, pussy glistening with juices on the satisfied loose lips, and my new hair a tangled, fanned-out, sexy spectacle.

"We aren't done with you yet, Blondie," said the tall blonde.

Madge had been watching all this action from over in the corner. She had stripped and had a huge, flesh-colored dildo strapped around her ample waist.

I held my breath, wondering if I would be able to take such a large apparatus. I started to close my thighs, but Brunette held them firmly apart "She looks wet enough," she said to no one in particular. I relaxed my thighs and waited for the fucking to begin.

Madge stepped over and knelt between my knees. She rubbed my pussy with two fingers, swirling them about on my clit, making me groan as the pleasure once again began

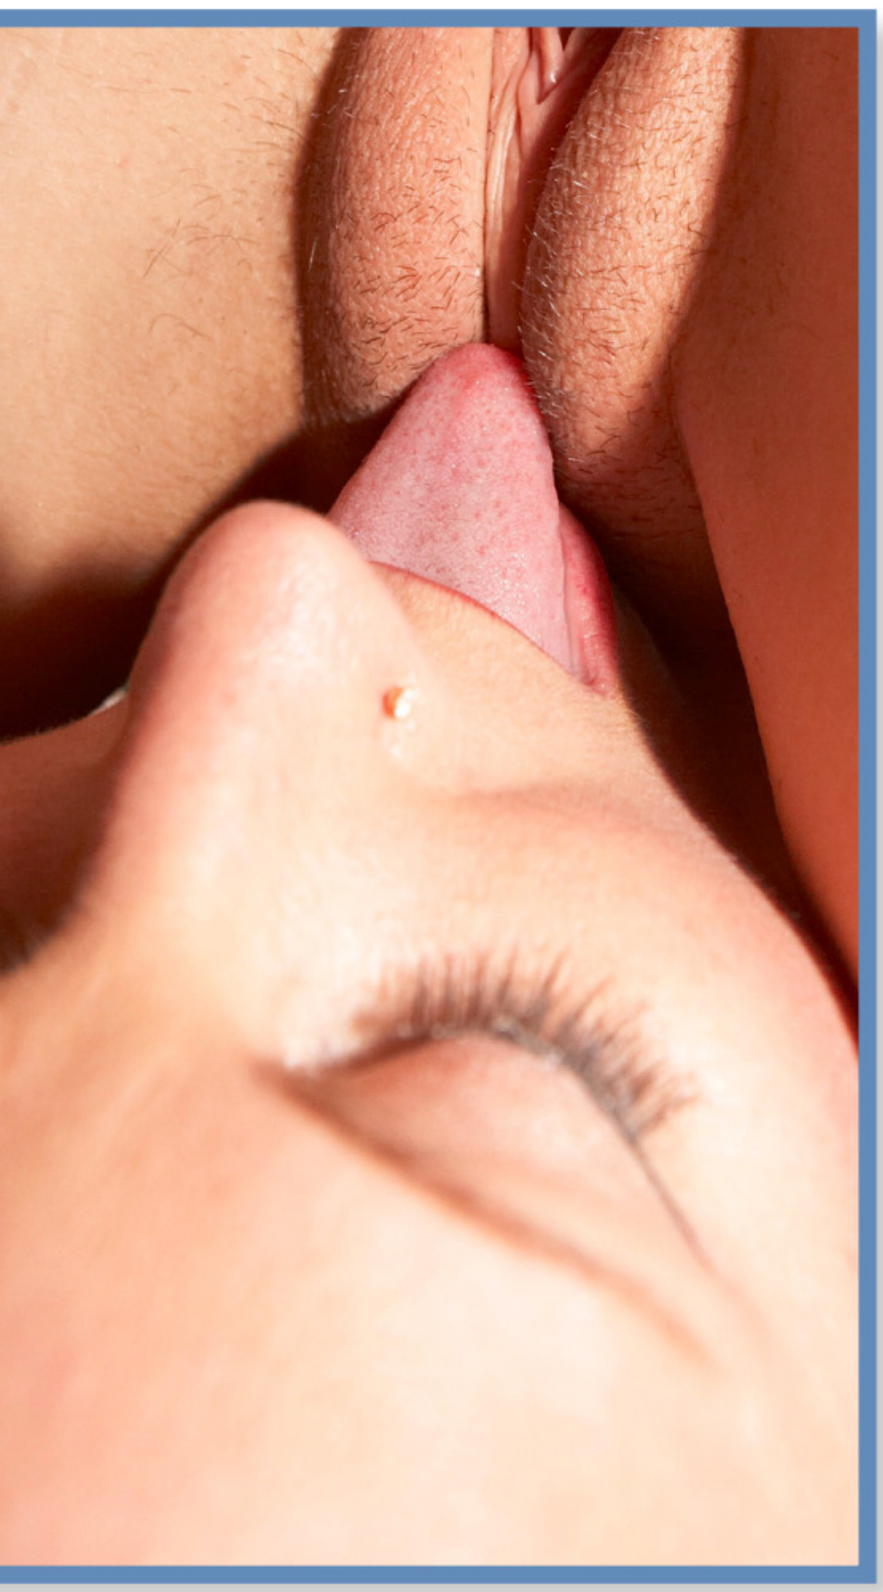
BLAIR-NTS-12

to tingle throughout me Then she smeared my slickness over the head of the plastic dick. "Get on your knees," she directed. I quickly complied, positioning myself with my ass in the air. The dyke's fingers started dabbling at my dangling, engorged clit.

I started to hump my hips in rhythm. "Mmmm, feels good," I whispered. I spread my knees as wide as the cot would allow, while



the fingers delicately tickled and dipped into my open hole. I thrust my pussy toward the fingers, feeling my lower lips swell in desire.

The juicy sounds emanating from their churning, titillating fingers on my sensitive parts made me even hotter. My clit was tingling and throbbing now with the need to come. I moaned and thrust my pussy back and forth, feeling warm juices ooze rapidly down my spread thighs.

"She is so hot," hissed one dyke. "Let me lick her."

I felt a tongue lap at me from underneath. My thighs quivered uncontrollably.

"Open her hole wider," said another voice. "Look at that hot, sweet meat! Yum." Those words turned me on even more.

Then I felt Madge kneel closer to my ass and press her hard dick into my eager hole. It slid right in with little resistance. Gripping my hips, she thrust forward. I took most of the dildo. She fucked me real well, rotating her hips and then thrusting fast, then slow. Fingers continued caressing my clitty; I knew I'd be coming in moments.

Ohhh, the sensation spread through my hips. My clit was really throbbing with the need of release. The thick dick thrusting in and out was too much. I bit down on my hand as another pleasurable scream tore from my throat.

Madge held my hips tightly and pumped away as the little tickler button on the apparatus brought her to her own pleasure.

"Yeah, baby," she moaned as the other women stroked and kissed her large, swaying breasts. Her thrusts slowed and finally stopped altogether. I hung my head in exhaustion, then felt the slick, hard dick slip out of my juice-slicked lips.

When I got my strength back, the dykes brought me towels to wipe myself off and helped me get dressed. I was a bit wobbly when I stood up. "Thank you so much for this...this pleasure. It was incredible! But what about you all?" I looked at the three dykes standing before me. Madge seemed to be the only one who had gotten off besides me.

"We love to please. That's what we do here," the tattooed blonde said with a leer. "We own this place, and it's a very unique club. That's the way it is. See ya." Then I was gently turned and sort of pushed right out the door to follow the now-dressed Madge.

I followed her out to the bar room and once again got leered at by George and the two other guys. But the leers, I decided, had not been meant as sexual come-ons—the guys, I decided on closer inspection, were all gay!

I noticed that someone else had come in while I was in back. An attractive girl sat alone at a small table near the empty dance floor. She was sipping a drink, and her face was partially hidden by luscious, red-colored hair tumbling down her back. I somehow guessed she too was wearing a wig. She had on a tight, short, black leather skirt and a tank top, which barely concealed her small tits.

"What is this place?" I finally asked Madge.

"It's Pandora's Playpen," she replied, in a voice that implied I was dumb for not knowing. "It's a lesbian bar for women. Women come here to get themselves, ah, 'taken care of.' We're very well known in the gay community. I thought that was why you showed up looking so hot."

"No, I didn't know. I stopped here on a whim. But believe me. I'll be back!" I turned to leave.

"What's your name honey?"

"Sally," I lied as I walked to the front door.

"Long, tall Sally. Hmmm, suits you." Madge smiled and gave me a little wave of good-bye. "Long-haired Sally. We'll see ya around soon."

Well, I stopped wearing the wig when I went back to work Monday. In reality I'm an executive secretary at a prominent oil company, and my name is Alyssa. However, I do wear my wig for my frequent return visits to Pandora's. There I'm still "Sally." I'm finding I like "Long Tall Sally"...a lot. She's a real fun gal!

Oh baby, I just love getting head. It makes me cum almost every time. I figured the guys in this business should know what to do and not be afraid to go down south and get it done. Another reason I got into this business is because I love giving blow jobs. But my man is a wimp. I need a real man, so I invited Claudio to fuck me while my man watched. I'm hoping her can learn something!
